Re: *Otto v. ISD No. 273*  
Case No. 22-cv-0005 (KMM/DJF)

Dear Judge Foster:

The parties have exchanged multiple drafts of a written settlement agreement, and they anticipate that the School Board will meet sometime within the next week to review the current draft of the settlement agreement for approval. The parties hope to have the final language of the settlement completed and the agreement signed within the next week.

Sincerely,

PATTERSON THUENTE, P.A.
